Job Description: Full Time Esthetician

Name:

Reports to: Spa Manager

Date:

Weekly Schedule: Monday -Friday

Salary: Based on Experience – Quarterly Bonus – Complimentary Services
Accepting Resumes Only

PURPOSE AND OVERVIEW

Thriving medical practice is seeking a PT/FT Esthetician who is eager to grow with our company and committed to long-term employment. Must be pleasant, positive, and professional with a strong work ethic and a passion for the Aesthetic Industry.

OR

Rapidly growing Aesthetic Practice is seeking a Medical Aesthetician for Full Time clinical, aesthetic, and medical assisting position. This is a great opportunity for a positive, motivated, self-starter with a high level of patient care and a passion for the Aesthetic Industry.

Responsibilities will include knowledge of all services, clinical care, providing treatments, assisting the Physician with patient procedures, conducting consultations, and administrative front desk duties.

PRIMARY RESPONSIBILITIES

Esthetician will be responsible for all aspects of patient care in our Aesthetic departments. The position will include conducting patient consultations and assessments, creating patient treatment plans, performing Skin Treatments (Facials, Chemical Peels, Microderms, etc.) and Laser Services (Heat and Light-Based laser, RF, Non-Invasive Body Contouring, LHR, etc.) The Esthetician will see patients independently, but will ultimately be supervised by the medical director.

Qualifications:

- Current Esthetics license
- Experience in a medical spa environment preferred
- Medical office and retail experience preferred
- Excellent interpersonal skills, reliable and flexible
- Strong attention to detail, ability to multi-task and very organized
- Position requires a professional demeanor and appearance at all times
- High level of Patient Care and Customer Service
- Exhibit a professional attitude, diplomacy and an ability to handle difficult situations
